RECONDITIONED POST DRIVER

BULLMAX POST DRIVER HONDA GX35 (RECONDITIONED)

SKU 100110 | Model BMPD-H35-2 | Honda GX35

Reconditioned BMPD-H35-2, Australia's lightest 4-stroke post driver, for fencing, posts and ground rods without the need for a compressor.

FEATURES & BENEFITS

- Honda GX35 4-stroke engine: legendary Honda reliability, no fuel mixing, low emissions and quiet operation.
- Australia's lightest 4-stroke post driver: easy to carry, perfectly balanced and ideal for long workdays.
- Four piling socket retainers supplied (20–45, 46–55, 56–73 and 74–80 mm) to suit star pickets, maxi pickets, pipe and ground rods.
- 80 mm impact plate drives pipe up to 50 mm without a dolly, reducing wear and damage on post tops.
- Anti-vibration handles with a two-way dampening spring reduce operator fatigue and increase comfort and control.
- Self-contained: no generator, air compressor, hoses or leads needed. Fully portable, with a custom carry case for transport and storage.
- Adjustable impact energy and impact frequency, with 360° all-round operation.
- Assembled and tested in Australia, engineered tough for local conditions.
