SUPER MAXI POST DRIVER

BULLMAX SUPER MAXI POST DRIVER HONDA GX50

SKU 100145 | Model BMPD-H120 | Honda GX50

Built for oversized posts where standard post drivers fall short: strainers, large timber stakes, vineyard poles and fencing in hard ground.

FEATURES & BENEFITS

- Powered by the Honda GX50 4-stroke engine: legendary reliability, smooth power and low-maintenance operation.
- Super Maxi driving force, built for oversized posts, strainers and large timber stakes.
- 122 mm post housing with 55, 75, 80 and 98 mm reducing sleeves.
- Heavy-duty Bullmax build: rugged gearbox and hammer system engineered for extreme durability.
- Low vibration and easy handling, designed for operator comfort during prolonged use.
- Inclinable Honda GX50 engine, designed to operate at any angle.
- 100% self-contained: no hydraulics or air compressor required. No fuel mixing, runs on straight unleaded petrol.
- Versatile applications: perfect for fencing contractors, farm use, vineyard operations and commercial projects. Centre-bored reducer sleeves available for ground rods and rebar.
